2021 MEMBERSHIP DIRECTORY & COMMUNITY PROFILE

Growing with the needs of **OUR COMMUNITY**

At Houston Methodist Baytown Hospital, we continue to improve the quality of our health care and expand our services.

We are proud to offer these recent additions:

- A new leading-edge **emergency department** featuring 42 private treatment rooms
- A new and expanded **cancer center** offering infusion and radiation therapy, 12 private chemotherapy suites and support services from patient navigators
- A new neonatal intensive care unit
- Two new patient care units with 46 spacious private patient rooms
- New state-of-the-art operating rooms for cancer treatment, orthopedics, cardiovascular treatment, gynecology, gastroenterology, pulmonary, and bariatric and robotic-assisted surgery
- A new outpatient center featuring ambulatory surgery, orthopedics and sports medicine, physical and occupational therapy, imaging, laboratory services, breast care center, primary care services and an occupational health clinic

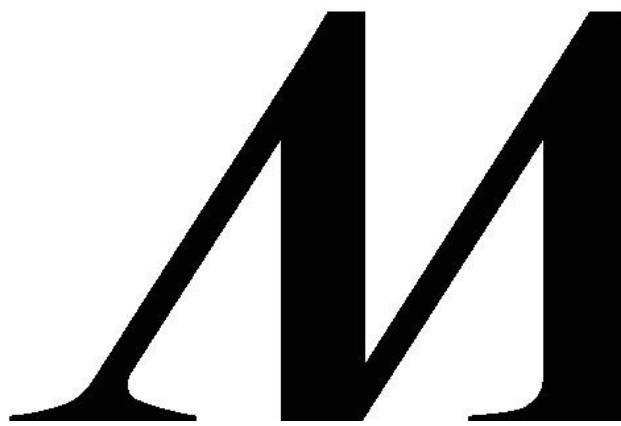

And, with enhanced safety measures in place, you can rest assured your safety is our priority.

A GREAT PLACE TO CALL HOME!

Located in northeast Harris County, the North Channel area affords unique opportunities to business, industry and residents. Since 1977, The North Channel Area Chamber of Commerce has helped promote economic development and quality of life in the communities that make up the North Channel area. These communities include Channelview, Galena Park, Jacinto City, North Shore and Sheldon. The geographic service area includes; west up to McCarty, east up to the San Jacinto River, north up to Lake Houston and south up to the Ship Channel. The mission of the Chamber is to promote economic development and provide real solutions for business and community prosperity.

The subdivisions, businesses, educational facilities, non-profit organizations, elected officials, government entities and individuals that compose the Chamber have invested in the future of the North Channel area and continue to work to ensure that the prosperity enjoyed in this community continues.

The Chamber is an organization committed to showcasing the North Channel area as a great place to live and work. Membership holds the key to our success. Members of the Chamber have shown that they care about the community where they live and work. Chamber representatives are people who believe that collectively they can accomplish more than what one could do individually.

The Chamber is not a government agency and does not receive tax dollars to cover the cost of operations. The Chamber is a non-profit business promotion organi-

zation that operates on membership dues and dollars generated from business-related programs and events.

The Chamber's officers and Board of Directors annually adopt a plan of work that is administered by Chamber staff and volunteers. One goal of the Chamber is to show those who are not currently Chamber members the importance of the Chamber as a vehicle for making a positive impact on the community.

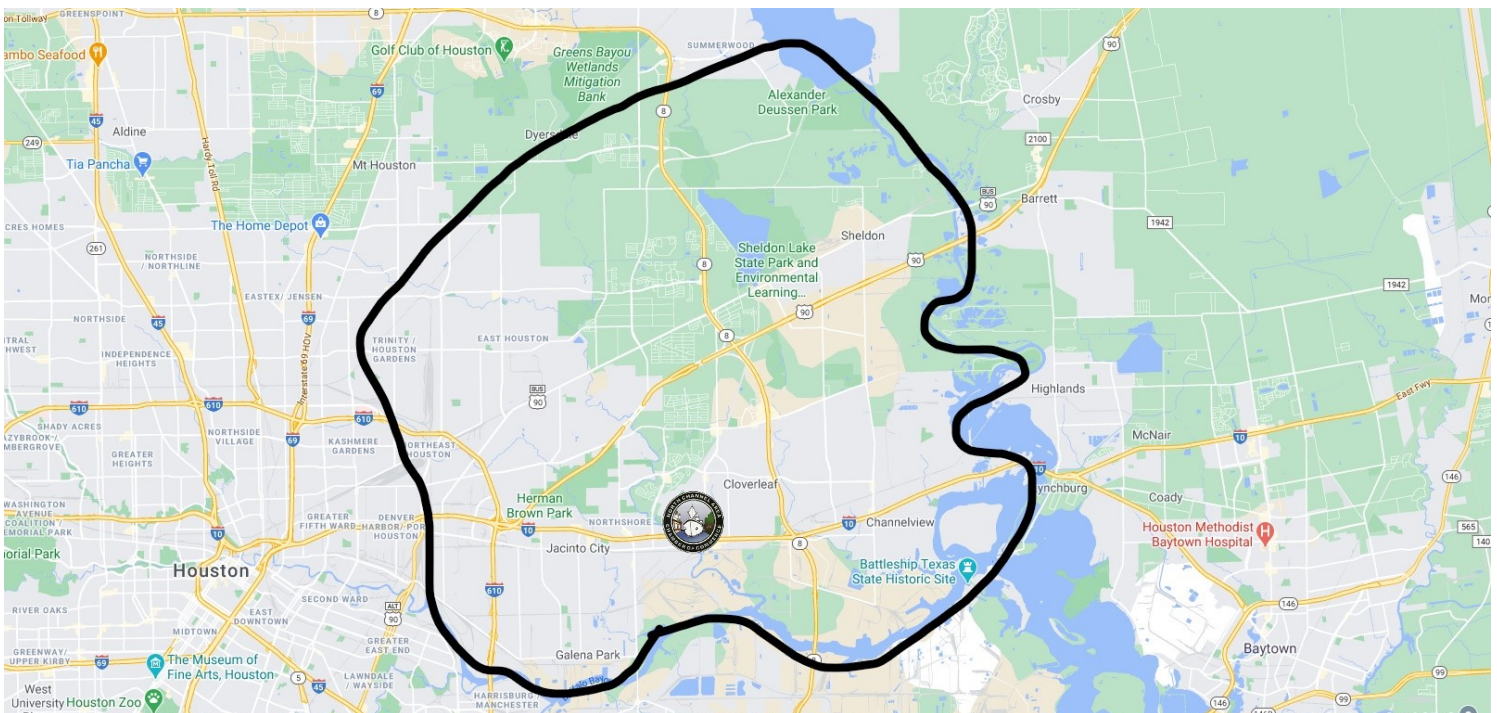

Membership in the North Channel Area Chamber is open to interested businesses, individuals and organizations desiring progress in the area. The Chamber office is located at 13301 Interstate 10 East, Suite 100. The Chamber can be contacted at (713) 450-3600, or visited Monday through Thursday from 9 am to 5 pm and Friday from 9 am to 4 pm. You can also visit www.northchannelarea.com.

HEALTH CARE

Houston, home to the non-profit Texas Medical Center, is fortunate to have some of the finest specialists in the world. The following information is provided by area health care facilities.

Houston Methodist Baytown Hospital

LEADING MEDICINE IN YOUR COMMUNITY AND PROVIDING QUALITY CARE CLOSE TO HOME

Since 1948, Baytown area residents have put their faith and trust in Houston Methodist Baytown Hospital to provide excellent health care and services.

Maintaining and building on that trust is a continuous process that the hospital's leadership, physicians, nurses and staff take very seriously. The ongoing expansion and renovation project—including a new, expanded emergency department, new, state-of-the-art outpatient center, renovated Cancer Center, new neonatal intensive care unit, two new patient care units and a new, technologically advanced operating room—is the centerpiece in the hospital's overarching mission to serve the growing region of Baytown and east Harris, Liberty and Chambers counties with unparalleled safety, quality, service and innovation for years to come.

Houston Methodist Baytown Hospital's bond with its patients and the community is stronger than ever thanks to its commitment to ensuring that its staff and facilities are second to none. This focus explains why the hospital has been recognized by numerous organizations and award programs, including the American Heart Association and the American Nurses Credentialing Center, and why it continually works to provide unsurpassed medical care and services in a convenient, close-to-home location.

EDUCATION

The area is fortunate to be served by a number of academically sound public school systems, as well as private/parochial schools.

Channelview Independent School District (CISD) The Channelview Independent School District is a rapidly growing school district with 9,500 students. The mission of CISD is to provide an educational program which will develop and enhance our students' intellectual, social, emotional and physical growth in order to encourage them to become creative, responsible, patriotic contributing members of society. Inherent within this mission is the belief that all students can learn, and that school can make a difference in the lives of its students.

Channelview ISD is a 6A school district located in an unincorporated area situated on the Houston Ship Channel approximately 15 miles east of downtown Houston.

The district has twelve campuses, an administration building, fairgrounds, maintenance headquarters and a transportation facility. There is a Pre-K center, seven elementary schools, two junior high schools, one ninth grade center, one high school, an alternative high school.

Special programs are available to all students through accelerated programs, special education, bilingual education, English as a Second Language, vocational education, gifted and talented education, and advanced placement and honors programs.

Channelview ISD has a rich history of being “actively engaged in the future of our community” with the school district being established in 1937. At that time the district employed eight teachers. Today, the district employs the finest employees found anywhere in the state of Texas. These employees are committed to making certain that each child in Channelview receives the best education possible.

Galena Park Independent School District (GPISD) encompasses 33 square miles along the ship channel in east Harris County. The district has a current enrollment of more than 22,000 students on 26 campuses and employs approximately 3,200 people. Through the commitment of dedicated staff and supportive parents, GPISD ensures all students receive a rich and inspiring education. The District provides many learning opportunities to foster curiosity, creativity and participation in the world.

Excellence in All, For All, By All is the focus of GPISD. The District is committed to preparing students to become productive citizens and lifelong learners. Recognizing no two students are alike, staff members continually hone their craft, learning innovative ways to focus instruction, enabling each student to be an active and successful learner.

The district partners with various business, education and government entities to provide college and career readiness opportunities for students. For example, through a partnership with San Jacinto College, the MECA (Modified Early College Academy) program allows students to graduate with a high school diploma and an Associate degree. Partnerships with Harris County have brought the Almatha C. Taylor Clinic and the South Side Clinic to local communities. Furthermore, the Education Foundation has awarded more than \$1 million in scholarships and innovative teaching grants since its inception in 1998.

Innovation, planning and teamwork are key components of GPISD's success. While there are many accolades that bear witness to the success of the district, the Financial Allocation Study for Texas has continually awarded the district top scores, stating GPISD has a very low spending index relative to the quality of education students receive. GPISD remains committed to educating students in a safe and secure environment while being a good steward of the resources with which they are entrusted. For more information, visit www.galenaparkisd.com or call (832) 386-1000.

Sheldon ISD is committed to providing an environment that is safe, individualized, and engaging. It is our mission to provide a personalized learning experience to ensure all students graduate college and career ready.

The district offers an Early College High School program where students can obtain a high school degree and an associate's degree in four year, as well as advanced placement, dual credit classes, and exemplary fine arts and academic programs. This is the second full school year of implementing a Compass Schools program at each of our six elementary schools. This program, designed with our mission in mind, connects the career ready opportunities offered at the high school to the elementary students with classes geared toward performing arts, science, technology, visual arts and more. There are numerous extracurricular opportunities for students to learn teamwork and good sportsmanship. Students have excelled in various programs at the state and national levels, including the Air Force JROTC and FFA programs.

It is an exciting time to be in Sheldon ISD! To learn more, call (281) 727-2000, visit www.sheldonisd.com, find us on Facebook and Twitter, or contact the district at 11411 C.E. King Pkwy., Houston 77044. "Sheldon ISD – Every Child, Every Day."

Houston Community College (HCC) Northeast, established in 1990, is one of six colleges in the Houston Community College System. Located in Houston's industrial nucleus, HCC Northeast focuses on preparing students for high-demand technical and vocational occupations. Career programs and services are offered at instructional centers across northeast Houston that include Northline Campus, North Forest Campus, Pinemont Center, Automotive Technology Training Center, and the Northeast Campus. The Northeast Campus at 555 Community College Drive in east Houston is comprised of five high-tech educational facilities that allow students to obtain hands-on career training with state-of-the-art equipment and instruments. Campus facilities include the Codwell Hall, Learning Hub, Roland Smith Truck Driving Academy, Public Safety Center of Excellence and Global Energy Center of Excellence. Surrounded by manufacturing, chemical, petroleum, engineering and energy businesses, the HCC Global Energy Center of Excellence is a direct conduit for industries looking to supplement its workforce with trained workers with hands-on experience in the energy industry. HCC Northeast also provides dual credit and Science, Technology, Engineering, and Math (STEM) education opportunities for high school students through a partnership with Houston ISD. Additionally, HCC Northeast is one of the largest vocational contributors to the city's emergency response industry through its exemplary programs offered at the Public Safety Center of Excellence. HCC Northeast trains first responders in Fire Protection Technology, Emergency Medical Services and Law Enforcement. HCC Northeast is a comprehensive college that offers AAS degrees, workforce training, certificates, GED, ESL, continuing education and academic transfer courses. For information, call (713) 718-8300 or visit www.northeast.hccs.edu.

San Jacinto College has been serving the citizens of East Harris County for more than 50 years. The North Campus, one of the College's four campuses, is a pillar for higher education and workforce training in the region. The College is regionally accredited by the Southern Association of Colleges and Schools Commission on Colleges, and offers 186 degrees and certificates, with 46 technical programs and a university transfer division. In addition, San Jacinto College offers a robust dual credit and early college high school program, allowing high school students the opportunity to earn college credit while in high school, and even earn an associate degree and high school diploma simultaneously through the Modified Early College Academy.

San Jacinto College understands that not everyone is a traditional student. Goals and scheduling demands are unique to each individual. That's why the College has developed a system that puts everyone on his or her own path to success. Whether it is a skills credential to move up in a career, a technical certification, an associate degree, or a transfer pathway to a four-year college or university, San Jacinto College has the right program.

San Jacinto College is a college of opportunities and achievement. The College creates goals and pathways for those who are searching for the right career or transfer, provides the financial and learning assistance needed for those who know their goals but need help achieving them, offers courses to upgrade skills and abilities for those who want a career change or a promotion, provides a rich, interactive learning environment that places the student at the center of learning and accomplishment. Students at San Jacinto College learn from master instructors and professors, and engage with a rich academic curriculum that prepares them for the next step in their lives, whether personal or professional. San Jacinto College ranks in the top 10 out of more than 1,100 community colleges in the nation in awarding the associate degree. No matter what a student seeks, San Jacinto College is here to help create that path.

WE ARE THE INTERNATIONAL PORT OF TEXAS!

Port Houston is the U.S. Gulf Coast's leading deep-water gateway to North America's fastest-growing region. With two ultra-modern, automated container terminals and 45-foot channel depth, Port Houston is your ideal destination.

PORT HOUSTON™

ADVANCING A WORLD OF POSSIBILITIES

When molecules are structured in a unique way and combined with heat and a catalyst, it opens up a world of possibilities.
