Houston Methodist Baytown Hospital

Since 1948, Baytown area residents have put their faith and trust in Houston Methodist Baytown Hospital to provide excellent health care and services.

Maintaining and building on that trust is a continuous process that the hospital’s leadership, physicians, nurses and staff take very seriously. The ongoing expansion and renovation project—including a new, expanded emergency department, new, state-of-the-art outpatient center, renovated Cancer Center, new neonatal intensive care unit, two new patient care units and a new technologically advanced operating room—is the centerpiece in the hospital’s overarching mission to serve the growing region of Baytown and east Harris, Liberty and Chambers counties with unparalleled safety, quality, service and innovation for years to come.

Houston Methodist Baytown Hospital’s bond with its patients and the community is stronger than ever thanks to its commitment to ensuring that its staff and facilities are second to none. This focus explains why the hospital has been recognized by numerous organizations and award programs, including the American Heart Association and the American Nurses Credentialing Center, and why it continually works to provide unsurpassed medical care and services in a convenient, close-to-home location.

Channelview Independent School District (CISD) The Channelview Independent School District is a rapidly growing school district with 9,500 students. The mission of CISD is to provide an educational program which will develop and enhance our students' intellectual, social, emotional and physical growth in order to encourage them to become creative, responsible, patriotic contributing members of society. Inherent within this mission is the belief that all students can learn, and that school can make a difference in the lives of its students.

Channelview ISD is a 6A school district located in an unincorporated area situated on the Houston Ship Channel approximately 15 miles east of downtown Houston.

The district has twelve campuses, an administration building, fairgrounds, maintenance headquarters and a transportation facility. There is a Pre-K center, seven elementary schools, two junior high schools, one ninth grade center, one high school, and an alternative high school.

Special programs are available to all students through accelerated programs, special education, bilingual education, English as a Second Language, vocational education, gifted and talented education, and advanced placement and honors programs.

Channelview ISD has a rich history of being “actively engaged in the future of our community” with the school district being est-

ablished in 1937. At that time the district employed eight teachers. Today, the district employs the finest employees found anywhere in the state of Texas. These employees are committed to making certain that each child in Channelview receives the best education possible.

McGhee Elementary School

McGhee Elementary School was named after Joseph McGhee, a black farmer who donated the land and helped with the construction of the first school of people of color in Channelview, TX. The school was built before 1916 and consisted of one room, one teacher and seven grades. McGhee is now recorded as a historic landmark.

Galena Park Independent School District (GPISD) Galena Park Independent School District (GPISD) encompasses 33 square miles along the Houston Ship Channel in east Harris County. The district has a current enrollment of more than 21,000 students and over 3,000 employees and supports 35 district campuses and facilities. The dedicated staff, families, and community of Galena Park ISD ensure all students receive a well-rounded education for future success in a variety of contexts by providing learning opportunities that foster curiosity, creativity, and community engagement.

The district is committed to ensuring students are positioned for success as lifelong learners by providing a robust educational experience. Recognizing students as individuals with unique talents, Galena Park ISD supports access to a variety of programs and resources, including 40+ certification and licensure opportunities through the Career and Technical Education Department, Dual Credit enrollment, Advanced Placement courses, fine arts programs, and a multitude of extracurricular programs. Providing a wide breadth of quality programming helps students develop an acumen in areas that correspond to their interests and gifts.

Empowering students to become resourceful and innovative in the quest for knowledge was the driving force behind the district's 1:1 technology initiative. A Chromebook was issued to every Galena Park ISD student to provide access to technology and quality instruction and ensure students are 21st century learners, able to leverage modern technology for learning.

Collaboration with local businesses, organizations, and community members is a trademark of Galena Park ISD. Partnerships with the Houston Food Bank, the Galena Park Community Council of PTA, the East Harris County Empowerment Council, the North Channel Area Chamber of Commerce, retired educators, and ministers are just a few examples of the district's outreach and desire to engage external stakeholders and maintain a culture of community invested in children. Galena Park ISD remains committed to providing students with a top-flight education in a safe environment and maintaining exceptional stewardship of taxpayer dollars.
