HEALTH CARE

Since 1948, Baytown area residents have put their faith and trust in Houston Methodist Baytown Hospital to provide excellent health care and services.

Maintaining and building on that trust is a continuous process that the hospital's leadership, physicians, nurses and staff take very seriously. The ongoing expansion and renovation project—including a new, expanded emergency department, new, state-of-the-art outpatient center, renovated Cancer Center, new neonatal intensive care unit, two new patient care units and a new technologically advanced operating room—is the centerpiece in the hospital's overarching mission to serve the growing region of Baytown and east Harris, Liberty and Chambers counties with unparalleled safety, quality, service and innovation for years to come.

Houston Methodist Baytown Hospital's bond with its patients and the community is stronger than ever thanks to its commitment to ensuring that its staff and facilities are second to none. CLEAN-UP

The North Channel Area Chamber of Commerce adopted a county road on Woodforest Blvd. from Overbluff St. to Dell Dale St. The first clean-up was held on Wednesday, September 27, 2023. Other organizations have joined the mission and adopted a county road, like Channelview ISD and Channelview Fire Department.

SIDEWALKS

Many improvement projects are taking place in the North Channel area through the Revive2Thrive projects. On the list of improvements is the Dell Dale Street Sidewalk Improvement Project. It will increase public safety in the Channelview, TX community. This is just one of the many projects in the North Channel area.

RENOVATIONS

Channelwood and Cloverleaf park were part of the 2023 Revive2Thrive mission. The equipment was updated to provide safe and more accessible space for the children to grow and thrive in the North Channel community.
